EDUCATION

- M.S. Mathematics and Statistics, McGill University, Montreal, 2022-2024
B.S. Honours Mathematics and Computer Science, McGill University, Montreal,
2019-2022

RESEARCH AREAS

Geometric analysis, specifically geometric flows and their application to geometric inequalities.
Mean Curvature Flow, Ricci Flow.

PREPRINTS

1. Flynn, J., Reznikov, J.: General Conformally Induced Mean Curvature Flow, <http://arxiv.org/abs/2309.14679>
